

ADMISSION CRITERIA

AGE GROUP

2+ Play Group

Children start to explore the world around them as soon as they are born. Early experiences in the first few years of life are critical for acquisition of skills as maximum brain development happens. This is the age where child learns in a playful manner.

3+ Pre-Nursery

Quality education and over all development of a child starts in Nursery. In Nursery, Children are engaged in school readiness activities such as reading, writing, counting, number recognition and problem solving in a fun filled but purposeful manner.

4+ Nursery

The transition from preschool to primary school is a crucial time of change for both children as well as their parents. The curriculum ensures smooth transition of formal schooling with meaningful and progressive learning experiences.

5+ K.G.

With appropriate activities in kindergarten children prepare for formal school with various activities in the areas of language, numbers, general knowledge, music, art in a planned manner throughout the program.
