Dear Parents,

Summer Vacation ! A long time to rejoice and recreate for all children. It is an appropriate period when parents spend quality time with their children and try to discover their hidden potential, to realize their talents and raise their self esteem.

Vacation give children a chance to relax. Besides relaxing, there should be a healthy mix of play and work. Punctuate their relaxed moments with constructive and creative work, this will surely enhance their confidence.

- Encourage your child to eat healthy food.
- Take your child for outing and fun. Try to spend maximum time with him/her & develop an everlasting bond.
- Make sure that your child completes his/her homework neatly.
- Help your child inculcate good habits.
- Recite a story to your child and ask him/her to narrate it.
- Converse with your child in english.
